Battery operated backpack vacuum cleaners RS 17A-45 / RS 17A-60

EFFICIENT – ENDURING – ERGONOMIC

The battery operated backpack vacuum cleaners RS 17A from nilco – Ideal for cleaning in tight spaces or congested areas, between rows of seats in cinemas, auditoriums and theatres, trains, busses and aircrafts. Usable in areas with limited access to electrical outlets. Also perfect for cleaning stairs and staircases.

The high-performance lithium ion battery provides up to 60 minutes run time. The light weight of 6,00 kg only (including battery) allows for fatigue-free and comfortable working.

- Ergonomic carrying frame
- Very comfortable, thanks to padded shoulder and waist straps
- Easily removable battery
- Low sound level for use any time of day and in noise sensitive areas
- Dust bag capacity of 6 litres

Standard equipment

- Floor suction nozzle, adjustable
- Telescopic suction tube
- Extended, extremely flexible suction hose with hand tube and suction control
- Crevice nozzle and upholstery nozzle
- External charger
